| Sinui | Ju Ilowever, the underground telephone cable between Pyongwang and fell into disrepair, and was | |
|--|---|---|
| | red to operation by the North Korean government in 1950, was in good | |
| sessi divid check obser | air raids had forced many North Koreans into suburbs of arge cities and into the smaller villages, many of them without pose one or papers. For this reason, except in special cases where an ineual's actions or speech draws attention to him, security forces make no of citizenship certificates, even on main highways.*** No curfew is ved in most North Korean cities, and many refugees move about at night, their belongings to places they consider safe. | |
| | | _ |
| by us. and of between | Chinese Communist propaganda in North Korea claimed that the nists had captured tanks and other armored equipment ing only bugles and drums.*** ther vehicles in operable condition were scattered along the roadside an Kanggye and Kaechon. In almost all cases the engines and tires had removed from the vehicles and only the body remained. | 2 |
